FOR IMMEDIATE RELEASE

KC MAN SENTENCED FOR POSSESSION, INTENT TO DISTRIBUTE CRACK COCAINE

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that a Kansas City, Mo., man was sentenced in federal court today for possessing with intent to distribute crack cocaine.

Willie L. Judon, 22, of Kansas City, was sentenced by U.S. District Judge Fernando J. Gaitan, Jr., this morning to five years and three months in federal prison without parole.

On Feb. 19, 2004, **Judon** pleaded guilty to possession with intent to distribute 5 grams or more of crack cocaine. **Judon** admitted that he was in possession with intent to distribute the crack cocaine on March 9, 2002.

Judon was originally charged in an indictment returned by a federal grand jury on Dec. 18, 2002, in Kansas City. He was arrested after law enforcement officers observed him at the corner of 43rd Street and Troost, in Kansas City, holding a white paper bag. The officers observed **Judon** conduct a hand-to-hand drug transaction near that intersection. Approximately one hour after officers observed **Judon** involved in the transaction, they observed him again as a passenger of a vehicle. Upon checking the plates of the vehicle, officers were informed of two payable warrants and then stopped the vehicle. Once the vehicle stopped, **Judon** exited and began to flee while throwing the same white bag to the ground, Graves said. It was at that time that law enforcement officers placed **Judon** under arrest. Law enforcement officers discovered 28 grams of crack cocaine, wrapped in several plastic baggies, inside the white bag.

This case was prosecuted by Assistant U.S. Attorney David DeTar Newbert. It was investigated by the Kansas City, Mo., Police Department.
